- Only athletes **aged 16, 17, 18 or 19 on 31 December 2016** (born in 1997, 1998, 1999 or 2000) may compete. The maximum number of events in which a Youth athlete (born in 1999 or 2000) can compete is two individual events plus one of the relays. If the two individual events are Track Events, only one of these may be longer than 200m
- A **maximum of two athletes** from any one Member can compete in each event (with the exception of the Relays).
- Three athletes can initially be entered per event, provided each has achieved the Entry Standard, but **only two will be allowed to compete**.

- Members who have no male and/or female qualified athletes whom they wish to enter in any Championships event, may enter **one unqualified male athlete OR one unqualified female athlete** in one event of the Championships (except the Field Events (see below), Combined Events, 10,000m, 3000m Steeplechase and 5000m Women).
- Members who have no male and/or no female qualified athlete but whose best athlete excels in a **Field Event**, may submit to the IAAF, by the time of the Preliminary Entry deadline, the name of their athlete plus performance they would like to enter in the Field Event. The Technical Delegates will make the final decision and, to do so, may seek the opinion of the relevant Area Association.
- If the **host country** of the World Junior Championships does not have an athlete qualified in an event, it may enter one athlete in these events regardless of any entry standard.
- Every Member may enter one team for each **relay race**, composed by a maximum of six athletes. Any four athletes among those entered for the competition, whether for the relay or for any other event, may then be used in the composition of the team for the first round.
