### 2017 BOLAND ROAD RUNNING – RESULTS LEAGUE 1 – SATURDAY 13 MAY 2017

The first Road Running League meeting which was held at De Doorns on Saturday 13 May experienced a reasonable turn-out, but still without the support of a number of clubs.

Ceres Athletic Club set a high standard in the Participation Category as 60% of their members were present.

Take note that this Competition will be decided in two sections viz. Clubs <100 members and Clubs >100 members. Points will be allocated to every member participating on the day.

In the 10 km race Ceres also sent out a strong message to Robertson, last year's winners, that they would be a force to be reckoned with. Reagan Rooi (Ceres) was the winner of the Open as well as the Junior section, and helped his team to be the winners of the Team Competition. It was good to see the talented Ladies Team from Maties participating.

They also had no trouble filling the top positions. Here's hoping that they will compete on a regular basis.

In the 21km competition, Elgin Grabouw, continued their dominance of the past few years, and easily won this section with three runners in the top positions.

Unfortunately the top Boland ladies were sorely missed.

In both the 10km and 21km races there were a lot of new faces. We need these athletes to compete regularly to give more status to the League competition.

The next League meeting will be the Correctional Services race in Paarl on 24 June.

The results and Log position is attached. Please ensure that your members have access to these.
