### 2017 BOLAND ROAD RUNNING – RESULTS LEAGUE 2 – SATURDAY 24 JUNE 2017

Correctional Services presented a well-organized Road Running League 2 meeting at Dal Josaphat Stadium on Saturday 24 June 2017. The initial early morning cold turned into a beautiful winter's morning – ideal for running!

The League clashed with the ASA half marathon championships held in P.E, with the result that a team like EGA could not field a full team as two of their team represented Boland at the championships.

A surprising turn of events was the fact that the promising 10 kilometre team from Ceres failed to arrive.

In the 10 km race the talented Ladies Team from Maties AC had no trouble filling the top positions in the Open- as well as the Junior category. In the men's team competition, Robertson AC regained the first position and showed that they also had the depth to fill the second place on the day.

In the 21km competition, Ceres AC took advantage of the depleted Elgin Grabouw AC team, and ran out winners on the day as well as leaders in the team competition.

It was particularly encouraging to note the improvement in the number of participants from Correctional Services, Paarl and Wellington. The results reflect that these clubs can be a strength to be reckoned with if they are at full strength. Hopefully this will be sustained for the rest of the League events

The next League meeting will be the Tru-Cape race organized by Elgin Grabouw Athletics Club in Grabouw on 26 August 2017.

The results and Log position are attached. Please ensure that your members have access to these.
