MISSION

To develop Boland Athletics into a role model that is recognized for its level of excellence, and for the leading role it plays to develop, co-ordinate and support the community.

Dear Boland Athletics Members, Friends and Partners,

Please note that the Boland Athletics Office will be closing on Friday 22 December 2017 and will re-open on Monday 8 January 2018.

Dr Harold Adams and the Boland Athletics Board herewith wish to express our sincere gratitude to the Boland Athletics Family, our Friends and Partners for your loyal, dedicated support and co-operation over the past year.

Boland Athletics experienced reasonably good success this year thanks to your selfless contributions.

We all know that there is much room for improvement, and that we can do much better if we apply our mind and pull together.

By all indications 2018 is going to be an exciting, vibrant season, full of great opportunities for our athletes and coaches.

As we close the curtain on 2017, to open the door to the opportunities of 2018, let us remember that *"What lies behind us and what lies before us are tiny matters compared to what lies within us"*.

We trust that we will all use this time to reflect, relax with family and friends, and return for duty fully recharged to grab all the exciting opportunities that 2018 brings.

Wishing you all a Blessed Christmas and a Prosperous 2018.

Athletics greetings.
