Circular 31 of ASA 2019 (04/04) – 2019-2024 ASA SELECTION CRITERIA

As background, ASA adopted an ASA Development Strategy in 2018. The ASA Development Strategy attached, now serves as Annexure 3 of the ASA Constitution and are also available on the ASA website under “Centres of Excellence”. ASA Members are kindly requested to forward the ASA Development Strategy to all ASA Members and encourage all ASA Members to have a common goal.

Resulting from the ASA Development Strategy, is the ASA Selection Policy serving as Annexure 2 to the ASA Constitution, which has been adopted more than 20 years ago, and available on the ASA website under “Criteria”.

The operational document of the ASA Selection Policy is the ASA Selection Criteria, also available on the ASA website under “Criteria”.

The 2017-2020 ASA Selection Criteria is now approaching the end of its lifespan.

ASA’s strategic planning operates on a 5-year cycle, with the next 5-year cycle due to start with the 2019 All Africa Games, where ASA will identify a new group of athletes in preparation for the 2024 Olympic Games.

It must be noted that ASA’s focus in preparing for the 2019 IAAF World Championships will be different to ASA’s preparation for the 2019 All Africa Games, as the 2 cycle are in different stages of progression.

With the above in mind, ASA kindly request ASA Members to study the draft 2019-2024 ASA Selection Criteria. Changes are indicated in red and are underlined for easy reference.

ASA Members are kindly requested to comment on the draft 2019-2024 ASA Selection Criteria, and in doing so refer to the ASA Development Strategy with specific reference to pages 31 – 33.

The 2019-2024 ASA Selection Criteria will be submitted to the ASA AGM for endorsement. Your feedback by 30 April 2019 latest will be highly appreciated.

Athletics greetings
