### 2019 BOLAND ROAD RUNNING LEAGUE 3 RESULTS – SATURDAY 22 JUNE 2019

The Correctional Services road races held at Daljosaphat Stadium on Saturday 22 June was the third Boland League meeting for 2019. The storm of the previous night played a major role in the turnout on the morning. The stalwarts of athletics who braved the early morning cold, were however treated to a rain free run under pleasant conditions.

As could be expected the results showed quite a few surprises.

In the 10 km race the Maties AC ladies continued their dominance with Virgil Lee Africa still a leader in both categories.

Angelo Booyesen (Correctional) made a welcome return and was a comfortable winner of the men's section, while Reagan Rooi (Ceres) increased his lead in the junior section. Ceres were again winners in the Team Competition.

In the 21km team competition Elgin-Grabouw AC, Swartland, Ceres and Worcester did not field full teams and failed to score. This opened the door to teams like Correctional Services and Langebaan to stake their claims as winners.

The talented Athlete Academy athlete, Deon-Lee Hendriks was a comfortable winner of the half marathon and is one to watch in the future.

The next League meeting will be the PPC race on 3 August 2019 at Riebeeck-West. Please note that the marathon does not form part of the Boland League competition.

The results and Log position are attached. Please ensure that your members have access to these.
