MISSION

To develop Boland Athletics into a role model that is recognized for its level of excellence, and for the leading role it plays to develop, co-ordinate and support the community.

Dear Boland Athletics Members, Partners and Friends,

Please note that the Boland Athletics Office will be closing on Friday 13 December 2019 and will re-open on Monday 6 January 2020.

Dr Harold Adams and the Boland Athletics Board herewith wish to express our sincere gratitude to the Boland Athletics Family, our Partners and Friends for your loyal, dedicated support and co-operation over the past year.

Boland Athletics experienced reasonably good success this year thanks to your valuable contributions.

We all know that there is much room for improvement, and that we can do much better if we apply our mind and pull together.

By all indications 2020 is promising to be an exciting, vibrant season, full of great opportunities for our athletes, coaches and administrators.

As we close the curtain on 2019, to open the door to the opportunities of 2020, let us remember that *"What lies behind us and what lies before us are tiny matters compared to what lies within us"*.

We trust that you will all use this time to reflect, relax with family and friends, and return for duty fully recharged to grab all the exciting opportunities that 2020 brings.

Wishing you all a Blessed Christmas and a Prosperous 2020.

Athletics greetings.
