DISTRICTS SCHOOL TEAMS – B QUALIFYING AND SCHOOL STANDARDS

THE FOLLOWING CRITERIA WILL APPLY TO THE SELECTION OF THE BOLAND TEAM:

1. The selectors may (need not) select a maximum of four athletes per item if those athletes have achieved the qualifying standard for participation at the Boland Championships or at the regional championships (original results MUST be present). The 4th qualifying athlete per item during the Boland Championships will be shortlisted.
2. An athlete who qualifies at the Boland Championships will be favored over an athlete who qualified at the regional championships.
3. In items where no athletes qualify, the THREE medal winners may be selected. The results at the Boland Championships will be the deciding factor.
4. An athlete MUST participate at the Boland Championships to be considered for the team. If an athlete is NOT eligible to participate, a medical certificate must be handed to the selectors during the event.
5. If such an athlete has achieved the SA qualifying standard at his / her REGIONAL CHAMPIONSHIPS AND in that item there are NOT four qualifiers at the Boland Championships, such an athlete will be considered.

In such a case, the region's appraiser MUST have the region's original results at hand as proof that that athlete did qualify.
