ELECTRONIC TRANSMISSION

CIRCULAR 10 of ASA 2020 REGISTER OF 2020 ASA NATIONAL COACHES UPDATED

Dear Members

Please find attached the latest update on the database of ASA National Coaches.

During the 2019 ASA National Coaches Symposium, coaches delivered thesis material as part of the criteria to qualify as ASA National Coaches. The theme of the 2019 ASA National Coaches Symposium was "The preparation of an athlete for the 2020 WA World Junior Championships and/or 2020 Olympic Games.

A panel of highly skilled coaches, whom in their own right has produced many athletes of international standing, has evaluated the thesis material and approved the thesis material of 13 coaches. Their names are listed in red on the attached spread sheet.

The thesis material will be placed on the ASA Website <http://www.athletics.org.za/coaches/coachingspecifictopics> and can be downloaded free of charge.

ASA will also publish the thesis material in the ASA National Coaching Journal and will be available in hard copy format at the 2020 ASA Primary School Championships, 2020 ASA Youth, Junior and High Schools Champions as well as at the 2020 ASA National Senior Championships. Only 2000 will be printed and will be made available on a first come first serve basis.

The panel of National Coaches listed on the ASA Data base now totals 169. The listed coaches serve as Excellence Advisors in their respective communities to ensure that the quality of coaching remains at a highly level in South Africa.

Athletics greetings

Richard Stander
