

BOLANDATHLETICS

TECHNICAL OFFICIALS SYMPOSIUM

AT DAL JOSAPHAT STADIUM, PAARL. ON SATURDAY 11 JANUARY 2020

110 Technical Officials and Coaches showed up for the annual Boland Athletics Technical Officials Symposium at Dal Josaphat Stadium in Paarl on Saturday 11 January 2020.

The main objective of the Symposium is to equip Boland Athletics Technical Officials with the latest information required to host incident-free athletics events that enable our athletes to perform at their best potential.

The most important topics covered at the Boland Athletics Technical Officials Symposium are:

1. Understanding changes in the World Athletics (IAAF) Rule Book 2020 – 2021.
2. The ASA Domestic Competition Rules and Regulations 2020 – 2021.
3. Ensuring the Safety of Athletes and Technical Officials on the Athletics Track and Field Arena.
4. Legal Challenges arising from Technical Officiating at athletics events.

A Talent Identification Athletics event was held immediately after the Symposium to assist the Technical Officials with the practical implementation of the rules.

All the candidates were presented with a Certificate of Attendance.

More specific workshops will be conducted in the very near future to empower our Technical Officials with specialised Technical skills.

Technical Officials who attended the Boland Athletics Technical Officials Symposium will enjoy preference when Technical Officials placement is done for Boland Athletics, ASA National Events and the ASA National Technical Officials Symposium.
