

2021 TWIZZA ASA U16, U18, U20 TRACK & FIELD CHAMPIONSHIP REPORT

On behalf of Boland Athletics Executive, congratulations to the Boland Athletics Team Management, Coaches and Athletes for another sterling performance and your exemplary conduct at the 2021 TWIZZA Athletics South Africa U16, U18, U20 Track & Field Championships at Dal Josaphat Stadium in Paarl, from Wednesday 7 to Saturday 10 April 2021.

Finishing 3rd on the National Championship Medal Table is very heart-warming evidence of your commitment and dedication, and your sacrifice for the success of our Team.

Thanks to Boland Schools for your support and contribution.

Thanks to our loyal Technical Officials for your dedicated service for the course of the 4-day event.

Thanks to our Volunteers and support staff, and the workers of Drakenstein Municipality for ensuring that we have a neat and tidy and safe Covid19 compliant venue for the duration of the Championships.

A huge Thanks to the parents and families who travelled from all over our country to support your children, for your courageous endurance of supporting your children from the outside of the Stadium, because the Covid19 Regulations wouldn't allow spectators inside the venue. This strange experience must have been very frustrating and unbearable for you, but you carried yourself with dignity throughout the 4-day event. We salute you.

Thanks to the Boland Athletics Local Organizing Committee for many months of planning and the eventual hosting of a very successful National Championships under very challenging Covid19 Protocols and Regulations. This was the first National Athletics Championships under strict Covid19 Protocols, and you rose up to the challenge with flying colours.

Thanks to our Partners Athletics South Africa, Drakenstein Municipality, the National Lotteries Commission, and the Western Cape Sports Academy for your valuable support in making Boland Athletics The Home of Champions.

11 April 2021
